6. Procedures for Investigating and Dealing with Bullying

The primary aim for the relevant teacher in investigating and dealing with bullying is to resolve promptly and fairly, any issues and to restore, as far as is practicable, the relationships of the parties involved rather than to apportion blame. The school's procedure for investigation, follow-up and recording of bullying behaviour are as follows:

6.1 Reporting Bullying Behaviour

- Parents/guardians may bring a bullying concern/allegation to any teacher in the school. They can do so by emailing the teacher, to arrange an appointment, to discuss the matter further. Each teacher's email address is communicated to all parents/guardians at the beginning of each school year. Parents/guardians can also communicate with the school directly if they need advice on how best to contact the relevant teacher.
- Teaching and non-teaching staff such as secretaries, special needs assistants (SNAs), bus escorts, caretakers, cleaners must report any incidents of bullying behaviour witnessed by them, or mentioned to them, to the relevant teacher.
- St. Brigid's G.N.S. encourages a high degree of school-wide vigilance and openness and encourages all children to raise their concern and disclose incidents of bullying, whether experienced or observed.
- All reports, including anonymous reports of bullying, will be investigated and dealt with by the relevant teacher.

6.2 Investigating and Dealing with Incidents of Bullying Behaviour

Informal/Preliminary Investigation

When investigating and dealing with a bullying concern/allegation, the relevant teacher exercises care and professional judgement to:

- Determine whether bullying has, in fact, occurred and, if so,
- How best it can be readily resolved

All investigations are conducted in a calm and objective manner, seeking factual detail through posing open questions using who, what, where, when, why and how. All investigations will be conducted with due regard for fair procedures and the rights of all pupils concerned.

The relevant teacher will use *The Investigation Form* (see appendix 1) to record incidents using the headings who, what, where, when and how. This will aid the identification of patterns of behaviour.

Following the *Informal/Preliminary Investigation*, if the next necessary step is to move to *Formal Stage 1*, the Principal will be notified.

Formal Stage 1

Determination That Bullying has Occurred

- In cases where it has been determined by the relevant teacher that bullying behaviour has occurred, the parents/guardians of the parties involved will be contacted at an early stage to inform them of the matter and explain the disciplinary actions being taken (by reference to the school policy). The school will give parents/guardians an opportunity to discuss ways in which they can reinforce or support the actions being taken by the school and the support provided to the pupils.
- Follow-up meetings with the relevant parties involved may be arranged separately with a view to possibly bringing both parties together at a later date, if the victim is amenable to same.
- Where the relevant teacher has determined that a pupil has been engaging in bullying behaviour, it should be made clear to her how she is in breach of the school's anti-bullying policy and efforts should be made to try to get her to see the situation from the perspective of the pupil being bullied.
- It must also be made clear to all involved (each set of pupils and parents/guardians) that in any situation where disciplinary sanctions are required, this is a private matter between the pupil being disciplined, his or her parents/guardians and the school.
- The purpose of these records is to enable the relevant teacher to complete the formal *Bullying Report Form* (see Appendix 2). The relevant teacher will tick **Stage 1** on the Bullying Record Form in this case. This form will be uploaded to Aladdin alongside *The Investigation Form*.

Formal Stage 2

Determination That Bullying is Still Happening Formal Stage 1 has been actioned

The relevant teacher must complete the Bullying Record Form (See Appendix 2) to record the bullying behaviour in the following circumstances:

- a) in cases where he/she considers that the bullying behaviour has not been adequately and appropriately addressed/resolved within 20 school days after he/she has determined that bullying behaviour occurred (teacher will tick **Stage 2** on the *Bullying Report Form*);

and

b) Where the relevant teacher has decided that in certain circumstances (e.g. cyber bullying) bullying behaviour is still occurring, it must be recorded and reported immediately to the Principal or Deputy Principal as applicable.

Established intervention strategies:

- Teacher interviews with all pupils
- Negotiating agreements between pupils and following these up by monitoring progress
- Working with parents/guardians to support school interventions
- No blame approach
- Circle time
- Restorative interviews

7. Responding to Inappropriate Behaviour

The particular approach employed will at all times be of graduated nature and proportionate to the misbehaviour. The aim of any sanction applied is not only to prevent the behaviour from reoccurring, but to support the pupil manage her own behaviour.

The list below provides some examples of the different approaches adopted but is by no means exhaustive. Teachers may put alternative appropriate measures in place, bearing in mind the circumstances involved:

- Reasoning with the pupil
- Giving clear guidelines for expected future behaviour
- Reprimand (including advice on how to improve)
- Temporary separation from peers, friends or others within the class within the class
- Referral to Principal - A pupil will be referred to the principal for serious breaches of discipline or for repeated incidents of minor misbehaviour.
- Monitoring of progress and 'checking in' with the both parties to assess progress and adapt supports accordingly
- Loss of privileges – e.g. school trip
- Reflection sheet to consider consequences of actions
- Placed 'On Report' (see Code of Behaviour and Discipline Policy)
- Suspension
- Expulsion

7. The School's Programme of Support for Working With Those Affected by Bullying

- All in-school supports and opportunities will be provided for pupils affected by bullying to participate in activities designed to raise their self-esteem, to develop friendships and social skills and build resilience e.g. group work such as circle time, Weaving Wellbeing Programm

8. Supervision and Monitoring of Pupils

The Board of Management confirms that appropriate supervision and monitoring policies and practices are in place to both prevent and deal with bullying behaviour and to facilitate early intervention where possible.

The following '*hot-spots*' have been identified where extra vigilance may be required:

- Break time (whether indoor or outdoor)
- P.E instruction
- School trips/tours
- Extra-curricular activities
- Morning arrival time
- End of day dismissal time

9. Prevention of Harassment

The Board of Management confirms that the school will, in accordance with its obligations under equality legislation, take all such steps that are reasonably practicable to prevent the sexual harassment of pupils or staff or the harassment of pupils or staff on any of the nine grounds specified i.e. gender including transgender, civil status, family status, sexual orientation, religion, age, disability, race and membership of the Traveller community.

the patron on request). Each year, upon enrolment, parents/guardians are provided with a copy of the policy.

12. Review

At least once in every school term the Principal will provide a report to the Board setting out:

- The overall number of bullying cases reported (*The Bullying Record Form*) to the Principal or Deputy Principal
- Confirmation that all of these cases have been, or are being, dealt with in accordance with the school's Anti-Bullying policy and associated procedures

This policy and its implementation will be reviewed by the Board of Management following the occurrence of a reported bullying incident, based on an analysis of completed bullying forms and termly reports by the Principal. The policy will be reviewed every year. Written notification that the review has been completed will be made available to school personnel, published on the school website and provided to the Parents' Association using the Anti-Bullying Policy and Procedure Review Notification Form. A record of the review and its outcome will be available, if requested, to the patron and the Department.
